Names occurring in more than one format (e.g. changed by marriage, initials, use of or succession to a title) are cross-referenced, reported by either their original or most frequently occurring form.

Abbreviations: refer to list preceding text of the Diaries.

Note: Brief parenthetic information from a variety of sources has been added to distinguish among individuals with similar names or titles, or to establish context. Identification has not always been clear or unambiguous and is, in a few cases, only speculative. (The Booth, Maxwell and Cullen groupings, for example, have been problematic.) Apologies for any misattribution.
