INTRODUCTION

This collection of papers (acquisition no. 1089) was acquired by the National Library from Ion F. Trant in February 1952. It comprises of the estate and family papers of the Trant family of Dovea, county Tipperary. The family were originally from Dingle in county Kerry, but settled later at Dovea, county Tipperary and this is reflected in the papers. According to *The Great Landowners of Great Britain and Ireland* (1883, reprinted, 1971) the Trant estate in county Tipperary amounted to almost 3,000 acres and was valued at just over £2,100.
